

## DigiLevel Compact

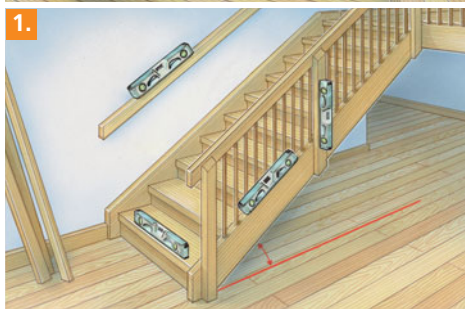

Small and handy:  
Intelligent spirit level – horizontal,  
vertical and any angle in-between.

Rev. 0210

### 1. Intelligent spirit level:

Digital electronic spirit level with vertical and horizontal angle display. The slope memory enables angles to be projected elsewhere. The slope can be shown in degree, inch/feet or percent.

### 2. Optimal use by audiosound

Horizontal, vertical and 45° use with audible inclination guide. Easy levelling.

### Additional features:

- the illuminated display is easy to read under all conditions – even when overhead measurements are involved.
- vertical and horizontal vial
- strong magnets

Illuminated display.

magnetic

AutoSound at 0°/45°/90°/135°/180°
